## AN ALARMING PHENOMENON IN

PRINCE GEORGE COUNTY.

Trees Almost Buried To see twelve or fifteen seres of dev land

a a hill side high above the water-level

there is such an occurrence it bestier well calculated not only to

"A most singular feature of the whole thing is that there is an upheaval in the river just in front of this basin and it seems as though the earth had passed through an underground current to the river. This har made its appearance suddenly during one might. It projects a short way up out of the water, and would doubtless grow ougher but for the earth being washed off by the current.

by the current.

"There were formerly two springs in the remote corner of the depressed field and both have dried up. Now there is a bold flow of water from one of the walls that is as clear as crystal and tastes of mon and suphor. The water from this has covered about two acres of the basin and when the

"You are sure this is not a landslide?"

"When you are sure this is not a landslide?"

"When you are sure this is not a landslide?"

"When you are sure this is not a landslide?"

"When you certainly a m," promptly came the reply. "The earth has not changed in the reply. "The earth has not capable so the county, but they are entirely different from this, The erupin of several weeks ago was in no sense a landslide. The earth rocks, and trees were literally thrown high up in the sir and carried some distance. The upheaval was at the upperent or beginning point of this wonderful exvirge, in and we think really led to it. The bar in the river is some two hundred yards in length and is about eight feet above the surface of the water."

Nor Affail.

Mr. Gathing said that while his parents were very nervous they apprehended no in the truth last of the basis are perfectly smooth as if cut by a chisel, and the banks on either side of the basis are perfectly smooth as if cut by a chisel, and the banks on either side of the basis are perfectly smooth as if cut by a chisel, and the carry of the beneath the sinking of a portion of his within sixty feet of the bards and the proper of the sinking of a portion of his within sixty feet of the bards on either side of the basis are perfectly smooth as if cut by a chisel, and the carry of the perfect of the pelicies of the pelicies of the pelicies and the residue of the pale of the policies.

GUIT-CLAIM DEED.

M. E. Eaves from John Rutherfoord and others, 1825, feet on Canal street northeast corner Madison. COUNTY COURT OF HENRICO.

The following is from the New York Tribune of yesterday, and has a special interest to our people, inasmuch as Mr. Flynn owns valuable and important properties here:

The will of Maurice B. Flynn was filed for probate yesterday. He gives all his property to his wife, who is made sole executive. With regard to his daughter Vera, agred two, he says: "I am not immindful of the fact that I have a child named Vera, but as she is in the care and custody of my beloved wife I have made no disposition of my estate to her, in the full belief that my beloved wife will have due regard for her future welfare and happiness."

The will is dated at Irvington, N. V., July 6, 1889. The witnesses are John P. Munn and Edward Beers, 37.

Mr. Edmond Was Stroke in 1885. A member of the Virginia Boat Club, who is well posted in rowing matters and who has participated in all of the regatias held in this State for several years, yesterday said to a Dispatch reporter that the statement that Mr. Hav and not Mr. Edmond was stroke in the Virginia crew that won the State race at Fredericksburg in 1885 was erroneous.

1885 was erroneous.
"In both 1885 and 1886," said the carsman, "our regattas were held at Fredericksburg. Edmond was stroke in 1885, when the Richmond crew won over three competitors, and Hay was stroke the next year, when there were only two entries. He pulled a splendid stroke and our boys wen."

Mr. Edmond was stroke in the crew that won this year both at Baltimore and Rich-

The Hustings Court was engaged all day yesterday in the trial of Fannie and Clinton Fox (both colored), charged with malpractice and causing the death of Bessie Murphy (white). The crime is alleged to have been committed last April.

The prisoners were represented by Giles Jackson, and Mr. S. M. Page assisted Commonwealth's-Attorney Spotawood in the prosecution. prosecution.

The jury found Fannie Fox guilty of vol-untary manslaughter and fixed her punish-ment at three years in the penitentiary. Clinton Fox was found guilty of involun-

tary manslaughter and given twelvemonths in jail and fined \$5.

A motion was made for a new trial and it will be heard to-day. What will Brown's Iron Bitters cure? It
